**March 24, 2019**  
**Message Title: The Last Supper**  
**Teaching Pastor: Brian C. Hughes**

*This study guide has been designed for Small Groups in mind, and can be used by individuals as well.*

Name an annual celebration that you do every year? (Like birthday) why do you do that?

What has been your experience with communion/the Lord supper in the past?

### **Watch the video**

Read exodus 12:1-42 as a group (those who are willing should take turns reading) I know this is more reading than we usually do as a group, but it will be valuable.

Talk about the key events

What specific instructions did God give his people?

What happened in the end?

Can you see why this is such a critical celebration for Jewish people?

Read Luke 22:7-20.

What did Jesus do here?

Do you think the disciples were surprised? Why or why not?

Read 1 Corinthians 11:23-26

Is there anything new that Paul adds to the instruction about communion here?

Celebrate communion together. Your small group leader is prepared.
