

Grace: A Step of Faith

THE POINT

God wants us to step out in faith for His cause and purpose. This means actually taking action towards what God has called us to do without necessarily knowing what the outcome will be.

INTRO

NOTE: *Like last week, be prepared with Bibles, as you'll need to either invite a student to read the stories or read them yourself after the video is over.*

So for a few weeks now, we've heard that God loves us so much that no matter what we have in our past or what we've done, He promises to forgive us if we only ask. He also asks us to forgive others the same way! And because of that, we now can really live into our purpose: the thing we were *made to do!*

Doing that though requires action. It requires us to actually make it happen. God is faithful to guide us, lead us, and show us the way, but WE have to move! WE have to take a step.

So tonight, let's talk a little bit about what it means to take *A Step of Faith* and how we can do it.

NOTE PLEASE *make sure to take actual inventory of what the students say at the end about taking a step of faith this week and begin next week by actually bringing that up and checking in!*
