

JUST ONE STEP

GET STARTED with Red Light, Green Light

Intro Game - Red Light Green Light (obviously has to do with taking steps - the person who wins usually forces one extra step in there for the victory)

Ice-Breaker Questions:

1) Who in the room has walked up the most flights of stairs at one time? (hoping for some Eiffel Tower, Statue of Liberty people)

2) Show of hands for their favorite movie: Step Up or Step Brothers?

3) Scenarios:

- 3 seconds left on the clock and you have to take free throws to win the game, or
- it's the bottom of the 9th with 2 outs and you're up to bat, or
- it's penalty kicks time on the soccer field and if you make it, you win.

Which scenario would you rather be in: step up to the free throw line, to home plate, or the goalie box?
