Key Points

1. If you are a follower of Jesus, then have you been baptized?

If so, then when and why were you baptized?

If not, then what has been holding you back?

Spend some time this week with God, prayerfully considering your commitment to Him.

2. We have seen that baptism is an act of submission, given Jesus' statement in John 14:21.

Do you think submission is required in order for Jesus to show himself to you?

3. Read 1 Corinthians 1:14-17.

Why is Paul glad he did NOT baptize many people in the church in Corinth?

If you've been baptized, then who baptized you?

Do you remember in whose name you were baptized?
