Message Title: Community

Teaching Pastor: Angie Frame

Bible Verses:

- Romans 12:10-13, NIV

Key Points

In Community We.....

1. **Identify our people.**

When have you been part of a group of people who you knew were YOUR PEOPLE?

How did that enrich your life?

Do you know who your people are right now?

If so, then how can you continue to devote yourself to them?

If not, then what steps could you take toward identifying your people?

2. **Keep our faith.**

Which of the following is the hardest for you to do:

Be joyful in hope?

Be patient in affliction?

Be faithful in prayer?

How could someone, or some group, support you in that area?

How could you support someone else in one of those areas?

3. Care for others and each other.

What needs do you see--locally, nationally, internationally--that pull on your heart?

How could you, or your small group, help meet that need?

When has someone shown you hospitality--welcomed you as you were when you needed a safe place physically or emotionally?

How can you practice hospitality--at work, at school, at home, at church?

Who do you know who could use a warm welcome and safe place?
