Message Title: Direction

Teaching Pastor: Brian C. Hughes

### Bible Verses:

- Mark 5:21-43, NIV

### Key Points

1. Practice the Family History Exercise that Brian described in the video:  
Where did you grow up?

How many siblings did you have and where are you in the birth order?

What was your greatest childhood struggle or challenge?

2. Think about the topic - **Change Direction**. How hard would you say it is for you to change?

It can be something big or not. How receptive are you to change?

How easy is change for you?

<p><b>3.</b></p>	<p>Read the story in Mark 5:21-42.</p> <p>What jumps out at you from this story?</p> <p>From the message, what were there things that you heard or were taught that you didn't realize or hadn't seen before? What are they?</p> <p>The woman was brave in taking a step towards Jesus that day. Why?</p> <p>Jairus was also brave in taking a step towards Jesus. Why?</p>
<p><b>4.</b></p>	<p>Brian summarized that Jairus' daughter was healed, but now you've read the text (vs. 35-43). Did you notice some odd things? For example, did you notice that people laughed at Jesus! And He spoke to the girl in Aramaic. Put yourself in the moment of that event. What was happening? What do you see? What's it feel like?</p> <p>Now, think about what God might want you to do as a result of this Scripture. How are you going to take one step towards God?</p>
