Message Title: Priorities

Teaching Pastor: Brian C. Hughes

Bible Verses:

- Matthew 22:35-40, NIV
- Matthew 6:24, NIV
- Philippians 4:12-13, NIV

Key Points

1.	<p>In your experience, how has your 'what' always led to a 'what's next'?</p> <p>Do you have some examples in your life where you've said, "If I just had _____, I'd be satisfied!"?</p> <p>If so, name some times when you've said that.</p>
2.	<p>Right now, is your priority a 'what' or a 'who'?</p>
3.	<p>Imagine you have a 'goal wall' (assuming you don't have an actual goal wall). What pictures are on it?</p>
4.	<p>If an objective 3rd party were to analyze your finances and your calendar, what or who would they conclude is the priority of your life?</p>
5.	<p>What are some changes that you think you should make in your life in order to adjust the way you live with the priority you want?</p>
