Message Title: Parenting

Teaching Pastor: Brian C. Hughes

Bible Verses:

- Genesis 27:6-13, NIV
- Genesis 4:2-7, NIV
- Colossians 3:23, NIV
- Exodus 20:2-3, NIV

Key Points – Please Watch the Study Guide Video First!

1. Whether you still have kids at home or they are grown, we are still capable as parents of over functioning for our kids. In what ways do you think you have done that for still do it?

In what ways did you or have you drawn healthy boundaries with your kids?

2. In his message, Pastor Brian referred to the first commandment to have no other gods before the one true God. He suggested that we are sometimes tempted to put our children in the number one spot, making them more important than God in our lives. Have you ever done that?

In what ways do you think you've done that in the past or still do today?

3. In the Study Guide video, Brian talked about other ways that we can be good parents. Ways that include picking our battles, having fun, making memories, and giving our children time and words so that they know we're proud of them. Name one of these that you feel you've done well.

Is here an area you feel you need to make some adjustments?

It's important for every parent to pray for their child – whether they're still at home or they're all grown up. Praying for your children matters – take some time and pray for them right now.
