Message Title: Who Are You Obeying?

Teaching Pastor: Riaan Niemand

*This study guide has been designed for Small Groups in mind, and can be used by individuals as well.*

**Bible Verses:**

- Acts 4:18-20, NIV

**Key Points**

1. Have you ever been in a situation where you were had to choose if you would follow God or follow someone else's order? If so, share what happened with your group.
2. Read Acts 4:18-20  
What's the choice that Peter faces here?  
  
What would you do?  
  
What does Peter do?  
  
What mechanisms could you put in your life that would help you be bold and courageous when faced with a choice like this?
3. Pastor Riaan Niemand talked Sunday about how the power of God can bring power to your life. God used ordinary people in Acts 4 to do extraordinary things.  
  
Can you imagine God doing something powerful in your life?  
  
What might that look like?  
  
Do you really believe that God can do something powerful in your life?

4. Riaan talked about 2 ways to bring God's power to your life:

Power up your life by being with Jesus.

How do you do that?

How can you do that even better?

What changes do you need to make to increase your 'being with Jesus' factor?

Power up your life by being with people who have been with Jesus. Why is this important?

Do you have some people around you who you feel live the power of God through their life? If so who are they?

Which of these people are you going to intentionally try to be around more in the coming weeks?
