THE MAKING OF A MOVEMENT

## Study guide

June 24, 2018

Message Title: The Final Choice Is Yours

Teaching Pastor: Brian C. Hughes

*This study guide has been designed for Small Groups in mind, and can be used by individuals as well.*

### Key Points

1. Have you made a decision about following Jesus? If so, share that with your group. It's more than 'yes' or 'no'. If you HAVE, talk about what that has meant for your life. Talk about both the costs and the rewards / benefits. If you have NOT, talk about why not. What's holding you back?
2. Following Jesus is not just words, it's action. How have the decisions in your life actually changed because you are a follower of Jesus?
3. In the scripture on Sunday (Acts 24), Felix had 'prolonged indecision' and Pastor Brian said, "Prolonged Indecision IS a decision". Have you seen examples of that in anyone around you?
4. There are other examples of people in Acts who actually did NOT prolong their indecision, but decided quickly. Read Acts 2:14-41. Talk about how the people in the crowd reacted and contrast their response to Felix' response.
5. Be sure to pray for each other - for the decisions that still need to be made by folks in your group:  
Decisions to follow Jesus  
Decisions to go All-In by some folks to that they can completely give their whole lives to following Jesus and not simply say they believe.
