

# Study guide

**January 20, 2019**  
**Message Title: One Step**  
**Teaching Pastor: Brian C. Hughes**

*This study guide has been designed for Small Groups in mind, and can be used by individuals as well.*

## **GET STARTED**

Angie shared that her favorite gift ever was her engagement ring. What's your favorite gift you've received?

Do you have a Fitbit? If so, then what do you like about it?

## **DISCUSS**

In the message this week, Angie discussed 3 possible steps we might take:

- |    |                     |
|----|---------------------|
| 1. | Accept God's words. |
| 2. | Apply yourself      |
| 3. | Ask for help        |

Which of those 3 steps could be the next right step for you?

## **STUDY**

Look up the following verses. What does each one say about steps to take, or not, in your relationship with God?

Proverbs 1:15-16

Proverbs 4:26-27

Psalms 37:31

Psalms 17:5

## **APPLY**

How do you keep taking steps in your spiritual journey instead of becoming complacent?

How can our small group help each other keep taking steps?

What is one step you're going to take this week in your relationship with Jesus?
