Message Title: Be The Change Pt.1

Teaching Pastor: Bryan Pope

This study guide has been designed for Small Groups in mind, and can be used by individuals as well.

Read Ephesians 2:1-10 Bryan will discuss this scripture in the video, so discuss as a group what these passages say about transformation.

Be the change is the 5th of our five purposes, discuss briefly how your journey has been through the first 4 purposes.

Pastor Bryan talked on Sunday about how we are created to do good works. Write down individually what good works outside of the church you believe you were created for, and share them with the group.

Watch the Video

Bryan talked about being invited into what God is already doing and the fact that he calls us to follow him. Can you share a time when you felt called and didn't respond? What kept you from going?

What problems in our world keep you up at night? Discuss these ideas and talk about how you as a team might create your own do good project together?

In the video Bryan discussed and told the story Jesus feeding the 4000 in Mathew chapter 15. Re read this passage as a group but put yourself in the place of the people in the crowd. Imagine how the scene looks teaches, heals, and then helps to create this miracle. What stands out about the scripture when you look at it from this view?

Bryan also talked about just one as being part of Be the Change. Share with the group how your investment in building a relationship with your just one is going.

Takeaways:

- Consider setting a date that your group can do a project together.
- Don't forget to pray with and for each other.
