

**STUDY GUIDE - July 7 2019**  
**Message Title: Think Before You Indulge**  
**Teaching Pastor: Jerimy Ford**

*This study guide has been designed for Small Groups in mind, and can be used by individuals as well.*

**Watch The Video**

Take a few minutes and discuss some of the things that you commonly indulge in.

Most of these things, while innocent, can still be something that can interfere with our relationship with God. For instance, if I buy a cup of coffee at Starbucks every day before I go to work that's \$1040 a year at \$4 a cup. Is that a wise use of my resources?

Read Luke 9:23, what does this verse mean for you?

What does it look like to do this daily?

How can you help one another think before you indulge?
