

SMALL GROUP HOST FAQ'S

WHAT DOES A HOST DO?

H - Have a HEART for people

O - OPEN up your place. Whether that's your home or apartment or a coffee shop down the road.

S - SERVE a snack or drink – pretzels & water is fine!

T - TELL a few friends and TURN ON a video. (Maybe that's a dvd player or if you have a computer or smart phone or tablet, you can access our curriculum online on our website.)

DO I HAVE TO BE A MEMBER OF PCC TO BE A HOST?

No - you do not, though going to Growth Track is encouraged.

HOW LONG AM I SIGNING UP FOR?

As long as you want. You can host for a series or for a season...just let us know.

WHAT IF I CAN'T BE THERE EVERY SUNDAY?

If you hear the message each week during the series, you'll connect with the material - but if you have to miss a Sunday, you can always connect online!

IS ANYBODY GOING TO HELP ME?

Yes - you'll have a coach assigned to you for support and to answer any questions.

I DON'T KNOW VERY MUCH ABOUT THE BIBLE...

That's okay! You're hosting, not teaching; all the material will be delivered via video. You're not responsible for knowing everything - only for creating space for people to watch and discuss!

WHAT DO I NEED TO GET STARTED?

Our Small Group Host Starter Kits are available to you. We can send that digitally by email or you can pick up from the Small Group Coordinator at your campus.

OKAY, REALLY...WHAT'S THE CATCH?

Okay...there's one more thing; we'd like you to let us know who came to your group every week. It's an easy process - just a web form that you can fill out in 60 seconds! Honestly, that's all there is!

HOW DO I SIGN UP? It's easy! Just go to pccwired.net/host or sign up at the Information Center.
